Mr. Chintan N. Parikh, Founder and Chairman of Group Ashima, started his career as a first-generation entrepreneur in 1981. He had a dream to make Ashima, a front runner in the world of cotton textiles. He was a doctoral student of Indian Institute of Management (IIM), Ahmedabad in the area of Finance & Accounting. He was also a Member of the Board of Governors of IIM, Ahmedabad during April 2007 to April 2016, for consecutive 3 terms, each term having tenure of 3 years. He was also specially appointed as President of Gujarat Chamber of Commerce and Industry (GCCI) for the year 2010-11, by the Empowered Committee of GCCI, entrusted with the task of transforming functioning and operations of GCCI including its constitution, which task he successfully accomplished. He has about 40 years of experience in the field of textiles. He was also a President of Ahmedabad Textiles Mills Association (ATMA). In nineties, his vision to bring world class technology and global customers at the doorstep of India, started a

new era for cotton fabrics in India. Under his leadership, the company established itself strongly in the domestic and international markets as a supplier of quality fabrics.

After successful financial restructuring in the year 2015, under the guidance and supervision of Managing Director, the Company underwent a modest modernization programme in the form of an operational restructuring by way of making investments into de-bottlenecking, upgrading and modernizing the existing production operations with an objective of creating an efficient and competitive business organization that is financially viable and stable. The Company turned its focus on realigning its operational facilities. Since the year 2017, the focus is on consolidation of businesses, improvement in working capital management and export markets. The Managing Director has made strenuous and single point efforts in upliftment of the Company to bring it back to the level prior to restructuring.

Under his able leadership, the Company successfully completed merger of Ashima Dyecot Private Limited (ADPL) as a step towards consolidation of the textile business and forward integration and also diversified into a new business segment which is Real Estate and has put up a new weekend home project in the name of Swan Lake.

III. Other Information:

a. Reasons for loss or inadequate profits:

During the financial year 2021-22, the bottom line has been adversely affected due to a few major challenges beyond the control of the Company. The severe second wave of Covid pandemic during the first quarter of that year had a significant adverse financial impact due to abrupt disruption of business activities. During the latter part of the said year, the company's wet processing operations remained suspended across various divisions from end-November, 2021 due to disconnection of effluent discharge facility by the Ahmedabad Municipal Corporation as per directions of Hon'ble Gujarat High Court, in a suo-moto public interest litigation, in spite of company being fully compliant and holding all requisite permissions.

b. Steps taken or proposed to be taken for improvement and expected increase in productivity and profits in measurable terms:

In order to cope up with the situation in the aftermath of disconnection of effluent discharge facility, the company has resorted to outsourcing arrangement. However, extra costs are associated with such an arrangement and the same is not a long-term solution. The operations and the profitability are likely to remain under stress for some time. To overcome effluent discharge issues, the company has decided to go for Zero Liquid Discharge (ZLD) facility. The installation of the ZLD facility for effluent discharge is progressing and is likely to be operational in a couple of months, after which the wet processing production activities are expected to be normalized. The Company has already undertaken debottlenecking of its fabric processing activities and is hopeful of achieving decent volume growth during the later part of the year. The Real Estate activities of the company is also likely to pick up pace and add to the revenues and profitability of the company during the later part of the current year.

IV. Disclosures:

The resolution sets out the entire terms and conditions of his re-appointment and remuneration. The Board of Directors recommends the Special Resolution as set out at Item No. 1 of this Notice for approval of the members.

Except, Mr. Chintan Parikh being an appointee, Mr. Krishnachintan Parikh and their relatives, none of the other Directors, Key Managerial Personnel (KMP) and their relatives are anyway concerned or interested, financially or otherwise in the said resolution.
