

TVS Motor Company Launches Tvs Ntorq 150; India's Quickest And First Hyper Sport Scooter

Ahmedabad, September 24, 2025: TVS Motor Company (TVSM), a global leader in two and three-wheeler segments, has announced the launch of the TVS NTORQ 150, India's quickest Hyper Sport Scooter. Powered by a 149.7cc race-tuned engine and inspired by stealth aircraft design, the scooter is a symphony of high performance, sportier aesthetics and cutting-edge technology to cater to a new generation of riders, with a special introductory price of Rs. 119,000 (Ex-showroom, All India)

Building on the TVS NTORQ story of always evoking awe, the new scooter will be yet another icon of tomorrow. Its MULTIPoint® projector headlamps, aerodynamic winglets, coloured alloy wheels, and signature

muffler note highlight its racing DNA, while a hi-res TFT cluster with 50+ smart features, including Alexa and smartwatch integration, live tracking, navigation, and OTA updates makes it the most advanced scooter in its class.

Commenting on the launch, Mr. Aniruddha Haldar, Senior Vice President — Head Commuter

& EV Business and Head Corporate Brand & Media, TVS Motor Company said, "Over two million NTORQians and 50 self-managed ride groups and communities, define the relationship that has been built between one of India's most loved and iconic automotive brands and its riders. TVS NTORQ has been synonymous

with striking design, superior performance and new age technology. The introduction of the all new TVS NTORQ 150, is designed to meet the evolving high performance aspirations of the Gen Z! TVS NTORQ 150, India's first hyper sport scooter with its hyper futuristic design, hyper tuned performance, and hyper connected tech will thrill its riders, and significantly strengthen and expand the TVS NTORQ brand franchise."

The TVS NTORQ 150 is powered by a 149.7cc, air-cooled, O3CTech engine that delivers 13.2 PS at 7,000 rpm and 14.2 Nm torque at 5,500 rpm. Accelerating from 0-60 km/h in just 6.3 seconds and reaching a top speed of 104 km/h, it stands as the quickest scooter in its class.

Stock market ends lower as IT, auto and banking shares fall

Mumbai, Sep 24 (IANS) The Indian equity indices ended the session in negative territory on Wednesday, continuing the losing streak this week amid persistent selling in IT stocks and profit booking in the auto, banking and financial services sectors. Sensex ended the session at 81,715.63, down 386.47 points or 0.47 per cent. The 30-share index opened slightly lower at 81,917.56 against the last session's closing of 82,102.10. The index slipped further amid selling across major sectors to hit an intra-day low at 81,606.84.Nifty closed at 25,056.90, down 112.60 points or 0.45 per cent.

"Profit booking has been observed in Indian markets post-GST reforms, as investors recalibrate valuations and Q2 earnings expectations. IT stocks underperformed

due to H-1B fee hikes, while US trade rhetoric amid ongoing trade negotiations and weak global cues are prompting cautious investor sentiment," analysts said.

India's relatively high valuations, coupled with moderation in earnings growth, continue to lead FII to trim their positions. That said, structural reforms and domestic growth drivers are keeping the underlying trend constructive, they added.

From the Sensex basket, Tata Motors, BEL, Ultratech Cement, Tech Mahindra, Mahindra and Mahindra, TCS, Axis Bank, Titan, Kotak Bank, ICICI Bank, HDFC Bank, Bajaj FinServ, and Eternal ended the session lower. While PowerGrid, Hindustan Unilever, NTPC, HCL Tech, Maruti, L&M, and Asian Paint settled in green.

Infinity Infoway Limited IPO Opens on September 30, 2025

Mumbai, Infinity Infoway Limited (The Company, Infinity) is a SaaS provider company specializing in delivering customized and integrated Enterprise Resource Planning (ERP) solutions. It caters to clients across sectors such as education, manufacturing, retail, and construction, proposes to open its Initial Public Offering on Tuesday, 30th September, 2025 and aiming to raise Rs. 24.42 Crores, with shares to be listed on the BSE SME platform.

The issue size is 15,75,200 equity shares with a face value of Rs. 10 each with a price band of Rs. 147 – Rs. 155 Per Share. The net proceeds from the IPO will be utilized for Development of Proprietary Technology Solution called "ZEROTOUCH", Purchase of new IT Infrastructure and Certification, Funding of Tender Deposits and Earnest Money Deposits (EMD) towards Tenders, Funding the incre-

mental Working Capital Requirements and general corporate purposes.

Mr. Bhavesh Kumar Dhirajlal Gadhetriya, Promoter and Managing Director of Infinity Infoway Limited expressed, "With over 17 years of experience in the IT sector, Infinity Infoway Limited has consistently delivered SaaS solutions that empower education, industries, and government organizations. Our IPO marks a defining milestone in this journey, enabling us to strengthen our offerings and scale further. Today, with a strong presence across 38 universities and

11 industries, we continue to drive efficiency through our flagship Campus Management System and Infinity ERP.

Mr. Ashok Holani, Director of Holani Consultants Private Limited said, "India's SaaS and EdTech sectors are witnessing rapid growth, driven by digital transformation, automation, and progressive reforms such as the National Education Policy 2020. With over 17 years of proven expertise, Infinity Infoway Limited has built strong capabilities to capture these opportunities through its flagship Campus Management System.

NOTIFICATION
GOVERNMENT OF GUJARAT
REVENUE DEPARTMENT
SACHIVALAYA, GANDHINAGAR

Business Brief III

SBI Card Rolls Out Festive Offer 2025 with 'Khushiyan Unlimited' campaign

New Delhi, SBI Card, India's largest pure-play credit card issuer, has rolled out an extensive lineup of exciting offers across the country for the festive season 2025 with the 'Khushiyan Unlimited' campaign. Customers can benefit from around 1250+ merchant-funded offers, cashback, and instant discount offers across online and offline platforms in over 2900 cities, including tier 2 and tier 3. The festive offers are applicable on all key categories including consumer durables, mobiles, laptops, fashion, furniture, jewellery, e-commerce and grocery, among others. To ensure that cardholders can make high-value purchases with greater convenience and flexibility, SBI Card has also introduced many EMI-focussed offers in partnership with several revered partner brands.

To add to the festivities, SBI Card is providing exciting instant discount offers on purchases across leading partner brands including Amazon, Reliance Retail group, Max Fashion, Raymonds, Monte Carlo, among many others. Furthermore, SBI Card's EMI-focused offers with up to 27.5% instant discount are being rolled out across popular categories including consumer durables, mobiles, and laptops. Key brands that are participating in this festive offer initiative include Samsung, Haier, LG, Sony, OPPO, vivo, Panasonic, Whirlpool, Bosch, IFB, HP, and Lloyd, among others.

With this diverse range of offers and discounts, SBI Card continues to enhance its customers' overall shopping experience, making it more rewarding with bigger savings, unmatched convenience, and exceptional value.

Ultra Gas & Energy Ltd emerges as the largest LNG autofuel retailer in India

Mumbai, Ultra Gas & Energy Ltd (UGEL), an Essar venture, has emerged as India's largest private operator and highest dispensing LNG refueling outlets (RO), with six stations operational across major freight corridors. These ROs are strategically located in Bhiwara (Rajasthan), Anand (Gujarat), Chakan-Pune (Maharashtra), Jaina (Maharashtra), Toranagallu (Karnataka), and Vallam (Tamil Nadu), enabling efficient access to cleaner fuel across key industrial and logistics hubs.

Maqsood Shaikh, Managing Director & CEO, Ultra Gas & Energy Ltd, said, "Our retail outlets are built to do more than just dispense fuel, they are catalysts for a cleaner, smarter logistics future. Backed by robust infrastructure and intelligent energy solutions, we are proud to lead India's transition toward greener fuels and sustainable mobility. At UGEL, our vision is firmly rooted in innovation, efficiency, and environmental responsibility."

UGEL aims to scale its network to 100 LNG retail outlets across India, supported by a planned investment of ?900 crore. Expansion is already in progress in key states including Gujarat, Tamil Nadu, Maharashtra, Rajasthan, Haryana, Punjab, Karnataka, Odisha, Chhattisgarh, and Jharkhand - laying the groundwork for a robust nationwide infrastructure that supports India's clean energy and transport goals.

Strategically placed to serve high-density logistics zones, these stations are accelerating the shift from diesel to LNG - a cleaner and more efficient fuel for long-haul trucking. Each UGEL station has a scalable capacity of 50 tonnes, capable of refuelling up to 600 LNG trucks per month. Each station can reduce up to 66,000 tonnes of CO2 emissions annually, collectively reducing 1 million tonnes of CO2.

Govt clears DSIR scheme with Rs 2,277 crore outlay to boost innovation, R&D

New Delhi, Sep 24 (IANS) In a bid to promote innovation and young talent in the field of research and development, the Cabinet on Wednesday approved the Department of Scientific and Industrial Research/Council of Scientific and Industrial Research (DSIR/CSIR) scheme with a total outlay of Rs 2,277.397 crore. The scheme, titled "Capacity Building and Human Resource Development," has been approved for the period of the 15th Finance Commission Cycle 2021-22 to 2025-26, according to the Cabinet chaired by Prime Minister Narendra Modi.

Implemented by the CSIR, the scheme will cover all R&D institutions, national laboratories, Institutes of National Importance, Institutes of Eminence and Universities across the country.

The initiative provides a wide platform for young, enthusiastic researchers aspiring to build careers in universities, industry, national R&D laboratories, and academic institutions. Guided by eminent scientists and professors, the scheme will foster growth in Science, Technology and Engineering, Medical, and Mathematical Sciences (STEMM), according to a Cabinet note.

"The 'Capacity Building and Human Resource Development Scheme' plays an important role in the achievement of the Sustainable Development Goals (SDGs) for the S&T sector in India by increasing the researchers per million population," according to the note. The scheme has demonstrated its relevance by building capacity and expanding the pool of high-quality human resources in the S&T sector.

Procurement of pulses, oilseeds at over 100 centres, says Haryana Chief Secretary

Chandigarh, Sep 24 (IANS) Haryana Chief Secretary Anurag Rastogi on Wednesday reviewed arrangements for the procurement of kharif pulses and oilseeds that will start at over 100 centres. The state has fixed procurement schedules and a designated centre for each crop. 'Moong' will be procured till November 15 at 38 centres, while the procurement of 'arhar' and 'urad' will take place in December at 22 and 10 centres, respectively, groundnut procurement will run from November 1 to December 31 at seven places, 'til' (sesame) in December through 27 centres, soybean and Nigerseed between October and November at seven and two markets, respectively.

During the review, the Chief Secretary directed officials to ensure a smooth and hassle-free procurement process. He emphasised timely procurement, along with adequate arrangements for storage facilities and availability of gunny bags at the mandis. Principal Secretary (Agriculture and Farmers' Welfare) Pankaj Agarwal said on the production front, significant improvements have been recorded. The area under 'moong' has expanded from 1.09 lakh acres in 2024-25 to 1.47 lakh acres in 2025-26, with yields increasing from 300 kg to 400 kg per acre. As a result, the production is expected to rise sharply from 32,715 metric tons to 58,717 metric tonnes. 'Arhar' and 'urad' have also shown modest increases in both area and yield.
